Mrs. Effie Mauley  
Madam...

I am very sorry  
that I have to take a few moments  
of your valuable time, but the reason  
is that I want you to do me a  
favor, as you know that the next  
meeting of the League is in Wash-  
ington and it is on Mar. 17<sup>th</sup> and  
I want you to let me have \$5.00  
and I will pay you back when  
the season opens. I know that it is  
a very bad time to let any one have  
money but you know I will pay you  
when the season starts. There Mexico  
people are here in town and they are

after any one they can get. So look out for them  
McDuffie went to Mexico Saturday on the Placer  
and I hope you have a good season even under  
the condition. Give my regards to Mr. Mouley and  
I hope you and him are well. Awaiting a favorable  
reply and thanking you in advance for the favor  
I remain

Your Humble Servant
